TECHNICAL INFORMATION

AP WASH PLUS

Description of the Product:

AP WASH + is a product designed to clean and rejuvenate rollers and blankets and in a single step, when previously several step cleaning procedures had to be employed.

AP WASH + cleans and revives rubber rollers and blankets, restores their original resiliency, removes glaze, dried ink, gum residue, paper lint, etc.

It penetrates and cleans deep inside the roller and blanket releasing and removing to a matt ink receptive surface.

Features of the Product:

1. Revitalises rubber rollers and blankets.
2. Removes glaze.
3. Removes water soluble contaminants and impurities originating from gums, fountain solution, hard water, paper ink, etc.
4. Removes ink, oil and grease.
5. Restores rollers to a matt ink receptive finish.
6. Extends the life of rollers and blankets.
7. Restores resiliency.
8. Evens out low spot and squashed areas on rollers and blankets.

Directions for Use:

To obtain best result, wash press with conventional roller wash, then apply **AP WASH +** and let press idle for a few minutes. Finally, wash out with regular roller wash and water.

Caution : **AP WASH +** can damage the printing plates.

Packing available: - 5 liter Tin
